

# Pet Photography Mini Course

---

## RESOURCE GUIDE

**Equipment:** here is a list of all the equipment I use in my studio when photographing a pet

- Profoto D1 Studio Kit
- Nikon D4
- Nikon 24-70mm F/2.8
- Pocketwizards
- Profoto 5' Octobox
- Profoto XL Deep Umbrella Silver
- Larson 42x76 silver/black reflector
- Denny's MFG Gelation 10x20 hand painted canvas backdrop
- Squirrel Call
- Duck Call

**Editing:** here are a list of the editing software and actions I use

- Adobe Lightroom
- Adobe Photoshop CC
- Custom Action in Lightroom for pre-final edits including clarity and vignette
- Photoshop Monochrome Actions by Padraic Deasy
- For these actions you can contact Padraic directly to purchase at [padraic@seamlessphoto.com](mailto:padraic@seamlessphoto.com)
- The three I use the most are below:
  - High Pass Contrast
  - Paint with Light
  - Vignette
